## *Enjoy the Freedom of being Without Clothes?*

Some of us prefer being nude indoors, others like the natural feeling of fresh air and sunlight against our skin outdoors. Many enjoy the company of a group at the beach, desert, or nudist resort; others enjoy a hiking trip or barbeque at a friend's home.

Gathering together, we have a common bond of enjoying the company of natural, like minded naked men.

## **Social Activities held Throughout the Year**

LANG outdoor activities take place primarily during the warmer months, including:

- Barbeques,
- Pool and jacuzzi parties,
- Day and evening hikes,
- Beach and hot springs trips.

Indoor events are held primarily during the winter season and include:

- Cocktail parties,
- Movie nights,
- Massage parties,
- Potluck dinners.

Holidays are favorite occasions to celebrate with barbeques and potluck dinners throughout all seasons.

Past events have also included lectures, dances, dinner parties, talent shows and theatre.

LANG also holds weekend excursions to popular Palm Springs nude resorts each year offering an extended time to relax, enjoy the desert sun and get to know each other.

## **Encouraging Social and Recreational Nudism**

Los Angeles Nude Guys:

- promotes and encourages an active interest in social and recreational nudism;
- provides social activities and events for bringing together gay and bisexual men who enjoy a healthy, nude lifestyle;
- encourages gay nudist participation in the mainstream nudist movement;
- and provides information about naturist experiences, places and activities.

*As naturists we enjoy being nude, preferably outdoors, for social and recreational activities. We enjoy the freedom of being without clothes whenever possible and practical.*
